

A decorative border of basketballs surrounds the text. The border consists of a top row of 10 basketballs, a bottom row of 10 basketballs, and two vertical columns of 10 basketballs each on the left and right sides.

Lewis Sports Academy (LSA)

LSA GA Junior 2018 AAU Program

Welcome to the 2018 AAU season with LSA, under the leadership & direction of Coach Rodney Lewis. This season will be most exciting and rewarding for each athlete undergoing the experience and journey of participating in **(5-7) Competitive Tournaments in the State of GA.**

The mission of Junior LSA is to help players improve their basketball skills and gain playing experience at a higher level. **Our approach** is to prepare each player for high-level competition and develop their skill level in the process. Each Junior LSA team will carry **(10-12) players** to obtain the best possible results while participating in competitive tournaments.

The level of competition this season is expected to increase due to the type of tournaments our team(s) will compete in. **As Director of LSA,** my personal promise to each family is that your athlete will develop & learn to play the game at a higher level.

We expect each player to be coachable & put LSA first over ALL other teams. **Personal commitment,** personal investment & hard work are required to participate under the LSA brand. LSA is year-round and our team of coaches is knowledgeable, experienced and capable.

LSA will continue to strive in helping players that may need financial support to participate, build relationships to succeed and obtain the exposure they need to achieve their dreams of getting a **College Degree** and playing collegiate basketball for FREE.

Thank you for considering LSA, we look forward to working with you, your athlete and supporting his passion in the game of basketball. We will have fun & grow together as we become a World-Class Organization.
